FEATURED ITEM "Hog Crusher"

Just in—We have added the new EZ GROUT "Hog Crusher" Job Site Material Recycler to our inventory. Call us today for a no - obligation demo.

Easily attached to a skid steer loader or forklift, the Hog Crusher can recycle most materials — brick, block, stone, rock, asphalt, non-reinforced concrete and more — on the job site.

The Hog Crusher is able to scoop up and pulverize recyclable material in minutes, eliminating the need to have this debris removed from the job site. The machine has a one-half yard hopper capacity, and up to ten tons of material per hour can be processed.

The Hog Crusher features replaceable carbide bits, and hardened breaker, cleaner and cheek plates for easy **on-site** maintenance.
