Construction Supplies and Equipment ★ Sales, Service, Parts & Rentals

CONCRETE STRAIGHTEDGE

Available in 4' to 20' lengths with kerfed edges and welded end caps. Straightedges are light-weight, durable, easily cleaned and hold a true edge indefinitely. Actual size is 1 1/2" x 3 1/2", duplicating the exact size and "feel" of a wooden 2 x 4 makes this perfect tool for straight-edging concrete without the problems of warping and waste using wood straightedges or the bulkiness and weight of standard stock aluminum. This is truly the cement mason's choice. Special order sizes available.

In stock and ready for pick-up or delivery!
